

Example Buying steps

Home Screen

Select *Female Lingerie* from categories side menu

Categories of Female Lingerie displayed

Click on Stockings

Stockings products are shown

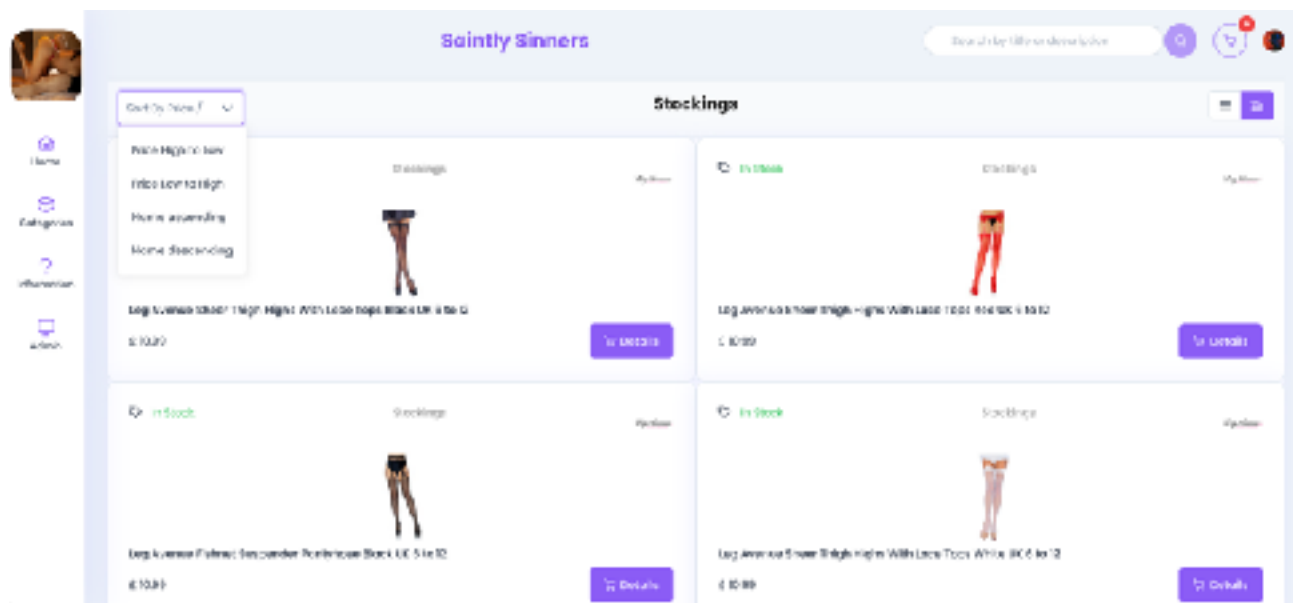

Sorting

You can sort by Price and Name in either ascending or descending order.

For multi-level sorting select the 1st field and then the 2nd level one. For example to see products by price and name both in a ascending order select 'price low to high' followed by Name ascending.

In common with all the list on the site, you can view in either Grid or List layout.

Grid view

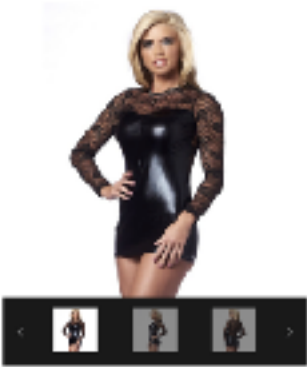

List view

Click on the Details button for more information and to add your cart. The button is greyed out if the item is out of stock
